Adelaide SA 5001

Dear Mr Kitchin

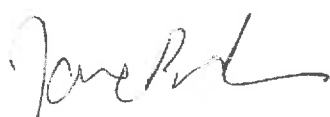

I write further to our meeting held on Monday 24 September 2018 with Lesley Till of your office and the BreastScreen SA (BSSA) Screening Support Unit leadership team.

The purpose of the meeting was to clarify the cessation of the proposed changes to the BSSA Screening Support Unit, as confirmed to you in my letter of 11 September 2018.

I can confirm that as part of business as usual, there will be an ongoing review and assessment of opportunities for improvement to identify any efficiencies. I will also ensure that there is communication to clarify roles and responsibilities within the Unit.

Should you have any questions or wish to discuss this further, please contact me on telephone 8274 7101.

Yours sincerely
